Send me an invite. Happy to do it. As an fyi, we tried to slow this down in House but had zero success. It was a “wrap yourself in the flag’ type bill and anyone who spoke against was essentially viewed as non-american. On plus side, I think it might slow down on Senate side. We’ll see.

Bart –

Hope you are doing well and had a good weekend. I had about 8 provosts ping me over the weekend about the REACH Act – they weren’t aware of it, and are getting lit up on campus about it. Would you or anyone on your team happen to have any availability next Wednesday, April 12th between 12 – 1 (zoom meeting) that you could come talk to us about that specifically and a general reminder about the process and where we are in it?

Norma, cc’g you for awareness as I also heard from a chancellor, and don’t know if it is something you’ll want to address with them.

Thanks so much!
